

WORKSHOP SESSIONS WITH LMCs.

The Workshop sessions will include an update presentation from me on GPDF's current progress/activity and a series of group discussions on a number of current topics including the funding of future Conferences, and the methods by which we should seek to ensure 'Value for Money' is obtained across all of our funding activity. These sessions will be taking place in London, Manchester and Glasgow. Please click on the appropriate link to register.

Places are limited, so please register as soon as possible.
