

30th January 2025

Dear Dr Steggles

I would like to offer my sincere apologies to yourself and the wider sessional community for the oversight you identified in my response on 29th January 2025 to BBOLMCs where I stated "I do not believe GPDF has turned down any funding request from any GPC in my period as Chair". You are indeed correct that I was referring to 'any national GPC' when I stated 'any GPC' and in my haste to respond promptly to the Listserver post I neglected to identify this inaccuracy. I offer this not as an excuse but an explanation as to how the error occurred and can assure you of GPDF's commitment to ensure all GPs are included and represented within our community, regardless of their status.

I was sorry to hear that you were not able to attend our most recent meeting on 21st January 2025 and look forward to discussing how GPDF can support Sessional GP representation at our rescheduled meeting on 18th February 2025. If you would like to arrange a meeting prior to this to discuss any concerns you may have, please do reach out to me at the address below.
